

## Activities « A la Carte » in Louisiana

### Options in Houma and the surrounding region:

#### **Swamp Tour of South Louisiana** (*Des Allemands, Louisiana*)

This swamp tour is more intimate than other swamp tours as it limits (up to 11) in will take in its boat. Your captain is a native to the region and therefore knows the various paths through the winding bayous in this area of South Louisiana. On your boat tour, you will stop at an uninhabited island and why this small island was abandoned, except for the wildlife that maintains its presence on the island. As you pass through this natural wonder, your guide will point out the various plants, birds and wildlife you will see along the way and perhaps you will be lucky to see one or more alligators (in season) along the way!

#### **Airplane Tour of Houma Region** (*Houma, Louisiana*)

If you take only one tour in Louisiana to better understand how fragile our wetlands and coastline are in Louisiana, this tour is the tour to take! You have two flight options...

**Option 1** (30 minutes flight) : Take a 30 minute flight in and around Houma, Louisiana and explore the vast wetlands and bayous (swamps) in and around the area. Your knowledgeable guide will explain how fragile this ecosystem is and key points of interest in the area.

**Option 2** (1 hour flight) : This one hour tour is our most popular tour as it takes you all the way to the Gulf of Mexico and gives the visitors a birds eye view of our delicate wetlands in Louisiana and why Louisiana loses an area the size of 1 football field (5351 square meters) an hour to erosion, or a staggering 43 square kilometers a year! Your knowledgeable guide will explain the effects of coastal erosion and how this has affected the inhabitants of lower Louisiana as well as key points of interests in and around the area. The view from your private plane will be one of the highlights of your trip to Louisiana!

#### **Greenwood Gator Farm Tour** (*Gibson, Louisiana*)

If you want to learn the life cycle of an alligator from egg to maturity, this is the place to see, hear and **touch** this larger than life mammal! Learn how virtually every part of the alligator is used: from the meat in local dishes to handbags and shoes sent to Italy for production. If you are so adventurous, hold a baby alligator! This visit is a must for both young and old alike!
